

Join our dedicated team of Quality professionals to support the various Broxap divisions in the role of:

Quality Technician

The primary focus of the role will be to ensure that all products received from our suppliers and those manufactured in-house adhere to our stringent quality standards and are fit for purpose.

You will:

- Support all manufacturing processes on quality matters, including wet paint, powder coating, seat manufacture, kennels and fabrication.
- Maintain full control of reject and quarantined materials.

You should have:

- Fabrication experience
- Manufacturing experience
- An understanding of the galvanizing process
