Product Information

The steel frame and timber slats are equal features in the Desford I Bench, proving that street furniture can be practical and stylish at the same time. An investment to enhance any location, this bench brings together quality, strength and style.

Features

- Minimal, elegant in their simplicity, and beautifully executed, they introduce an international spirit to public spaces.
- Framed by an 8mm steel plate and reinforced steel trusses.
- All steel parts are hot dip galvanised and powder coated with a dark metallic grey (like DB 703).
- Standard Timber Finish: FSC® Iroko (Kambala)

Materials Used

- Galvanised steel
- FSC® Iroko (Kambala)

Other Materials Available

- Douglas Fir Wood
