## BX60 Halo Modular Seating

Simple curves and colour add beauty and fluidity to exteriors, interior meeting areas, showrooms, exhibition spaces, foyers and lobbies.

Halo can be fitted together to create a circle measuring 3m, 4m or 5m in diameter or can be designed to snake around outdoor or indoor features.

Our curvaceous circular designs are composite moulded and create striking landscape features. Each seat can be made in any BS/RAL colour to match any colour scheme or corporate interior. Halo is easy to install as it's lightweight and modular in construction.

1 & 2: Halo seating and planters recreational space installation at Media City, Salford, Manchester.

3: Halo seating and Rondo table, show garden centerpiece at the RHS Flower Show, Hampton Court.

4: Halo seating is available in any BS or RAL colour, to match your colour scheme or corporate identity.

## BX60 Halo Modular Planters

To complement our range of outdoor furniture we've introduced a stylish range of matching planters in Halo and Cube-shape designs.

Each planter can be made in any BS/RAL colour to match any colour scheme or corporate interior.

Halo seating and planters at the RHS Flower Show, Malvern.

Cube tables and a Bench coffee table completed the look for this award winning show garden.

Our range is a stunning collection of geometrically-shaped modular furniture pieces ideal for urban environments, recreational spaces and large-scale commercial interiors.

The range has been designed for mix and match use or pieces can be used standalone.

Each piece in the collection is handmade by highly skilled craftspeople based in the UK. The entire range is composite moulded which is the perfect outdoor furniture material as it's weatherproof, lasts a lifetime and requires minimum maintenance.

Halo seating and Cube tables were specified for a prestigious roof-top garden at Two Pancras Square in London's bustling King's Cross.

## BX60 Halo single seat - 3m circle - all sizes in mm's

Halo Seat Profile  
Section A-A

Plan View - 3m circle segment

**Principal Material:**  
Composite moulded.

**Dimensions:**  
1143 x 600 x 476mm.

**Colour:**  
Any BS/RAL colour.

**Each segment can be supplied:**

1. Weighted with a rubber anti-slide base. Approx. 40 kgs.
2. Un-weighted with rubber anti-slide base. Approx. 15 kgs.
