actual colour.

## Product Information

This heavy duty, 200 litre durable plastic grit bin is manufactured from UV stabilised polyethylene. It has been designed with a rigid outer structure which includes a strong 'through-rod hinge system' that makes it tough to help combat vandalism.

## Features

- Strong through-rod hinge system
- Made from UV stabilised polyethylene

## Materials Used

- UV stabilised polyethylene

## Options

- Other colours available upon request at an additional cost
