Please check a colour chart to see the
actual colour.

Product Information

This single bench can be constructed using either a hardwood iroko (as pictured) or a treated softwood. The stained black ends create an interesting focal point for the bench which help it to complement, yet stand out in rural environments.

Features

- This unit is root fixed as standard
- Four slatted bench
- Constructed using treated softwood, or hardwood iroko
- Unique black stained ends

Materials Used

- Hardwood Iroko

Other Materials Available
