actual colour.

Product Information

Modern steel framed seat with six timber slats available in softwood or hardwood and steel armrests. Galvanized steel and polyester powder coated in a single standard Broxap colour.

The mild steel armrests on the Willenhall Seat are an eye-catching detail, contrasting beautifully with the timber slats. The steel base makes this seat an obvious choice to enhance any high street, but it is equally at home in more enclosed settings such as courtyards.

Features

- Steel Frame and mild steel flat bar armrests
- Additional option to powder coat in an RAL or BS colour
- Features six treated softwood timber slats as standard
- This unit is available root fixed or baseplated

Materials Used

- Galvanised steel
- Treated softwood timber slats

Other Materials Available

- Hardwood Iroko timber slats
