Product Information

Ideal for storing pushchairs, prams, wheelchairs and other mobility aids, the Wardale Junior Buggy Shelter is securely designed to keep belongings safe and dry. It is a fantastic addition to locations accessed by families and carers, providing reassurance their prams and buggies can be left in an easy-to-access, reliable store. The polycarbonate roof and side panels benefit from a UV filter to help protect against the effects of direct sunlight.

Our standard buggy shelter can also be customised with a range of optional features such as mesh swing gates for added security.

Features

- Can be fitted with secure lockable Mesh Swing Gates
- Each pram shelter can store up to 6-8 buggies
- UV filter to protect the colours of the prams from fading due to the sunlight when inside the shelter
- Framework is a Galvanised Mild Steel which can be powder coated to one of our std BS/RAL Colours

Materials Used

- Circular hollow section welded steel
- ClearView PETg
- Back/roof cladding

Finish Options

- Hot-Dip Galvanised to BS EN ISO 1461:2009
- Hot-Dip Galvanised & Polyester Power Coated 60mm-120mm dft
- Hot-Dip Galvanised with Duplex (Zinc Coated) Powder Coating (coastal) 180-240 overall dft
