Product Information

The Crosby smoking shelter is an economical, light-weight, entry level solution to provide cover and protection to designated smoking areas.

Available in hot dip galvanised to BS EN ISO 1461:2009 finish and two sizes only, the shelter also comes with the option of having the side panels split either horizontally or vertically to provide sufficient free area to the perimeter to comply with smoking and vaping legislation. Both versions benefit from the rear of the shelter being clad to full height.

Features

- 4mm thick Clear-view PETg UV sheeting
- Internal perch seat to full width of shelter
- Base plate fixing (non-adjustable)

Materials Used

- Mild steel welded end frames and purlin section made from heavy duty box section
- Anti-tamper high strength bolts

Finish Options

- Hot dip galvanised to BS EN ISO 1461:2009
- Polyester powder coated paintwork in 19 RAL colours
