## Product Information

Our most popular cast iron planter; with 363 litre capacity the Oldham planter has tapering sides and decorative inset panels.

## Features

- Supplied freestanding
- Potential lifespan of 100 years
- Supplied as standard in grade 250 cast iron
- Drainage holes incorporated into the base allowing excess water to drain
- Finished with a primer undercoat and a 2 pack acrylic topcoat in a range of BS/RAL colours

## Materials Used

- Cast Iron

## Options

- If a permanent fixing is required the drainage holes in the base of the planter may be utilised to accommodate raw bolts to secure the planter to a concrete base.
- Highlighting - At Broxap we use Ardenbrites Light Gold No. 1 which is bright, durable and has excellent colour retention. One or more colours can be used to highlight design detail, match existing colour schemes or to include corporate colours. All highlighting is hand painted.
- Cast iron planters may also be customised to include logos, crests or coats of arms, to create a special corporate or public identity.
