Product Information

The toughest plastic dog waster litter bin in the UK with an inner steel reinforcing frame designed to prevent removal or overturning by vandals. Every unit in the Maelor range is manufactured in part from recycled materials.

Features

- Curved top galvanized frame as standard
- Steel frame supplied with baseplate and fixing holes
- One piece "lock-on" lightweight cover
- Chamfered edges to litter posting apertures ensures rubbish is directed into the liner without overspill between liner and outer case
- Removal of outer case and liner allows cleaning of area beneath and around location of bin
- Black as standard, other colours available at additional cost
- To empty lift the lightweight cover over the frame using the maelor key provided
- Made using some recycled materials as standard, manufacture using over 90% recycled plastic is also available upon request.

Materials Used

- HDPE
