Product Information

The Versa Modular Seating option is a premium street furniture product ideal for today's changing landscapes. It matches Broxap's design and build expertise with our clients' unrivalled understanding of their placemaking schemes. Placing function at the heart of every product, the Versa range invites customers to choose the features that best meet the needs of individual communities, creating unique, inclusive street furniture collections.

From the type of timber to the slat orientation, our partners are given carte blanche over the end Versa product. Each bench and seat is manufactured according to the size, shape and custom options selected for design schemes that make a positive difference to those who use outdoor spaces.
