Product Information

Contemporary style, robust 90 litre plastic litter bin offers an economic alternative to steel or stainless steel litter bins. The galvanised inner frame can be bolted either to the ground or to a pre-drilled concrete base when installed on tarmac, grass or indoors. Every unit in the Maelor range is manufactured in part from recycled materials.

Features

- Curved top galvanised steel frame as standard
- Steel frame supplied with base plate and fixing holes
- One piece "lock-on" lightweight cover
- Chamfered edges to litter posting apertures ensures rubbish is directed into the liner without overspill between liner and outer case
- Removal of outer case and liner allows cleaning of area beneath and around location of bin
- Made using some recycled materials as standard, manufacture using over 90% recycled plastic is also available upon request.
- Black as standard, other colours available at additional cost
- To empty lift the lightweight cover over the frame using the maelor key provided

Materials Used

- HDPE
