## Product Information

50 litre capacity post mounted litter bin manufactured according to DIN standard specifications with recyclable materials that do not harm the environment.

Using high-density polyethylene, with solid colours and stabilised against the effects of water and UV rays, giving it great lightness and resistance to weathering. Its smooth shape prevents dirt accumulating and facilitates cleaning.

## Features

- Cowl top attached to the rear support plate
- Opening is positioned to prevent water entering and stops waste being visible from the outside
- Complete with TESPAs banding and fixing clips

## Materials Used

- HDPE
