**Product Information**

High security, vandal resistant plastic litter bin with an inner steel reinforcing frame designed to prevent removal or overturning by vandals. Also available with 120 litre or 180 litre capacity. Every unit in the Maelor range is manufactured in part from recycled materials.

**Features**

- Two gold vinyl Tidyman Logos
- Two gold vinyl bands
- Curved top galvanised frame as standard
- Steel frame supplied with base plate and fixing holes
- One piece "lock-on" lightweight cover
- Chamfered edges to litter posting apertures ensures rubbish is directed into the liner without over spill between liner and outer case
- Removal of outer case and liner allows cleaning of area beneath and around location of bin
- Black as standard, other colours available at additional cost
- To empty lift the lightweight cover over the frame using the maelor key provided

**Materials Used**

- HDPE
