Product Information

120 Litre litter bin built on the renowned quality and strength of the Derby range. This litter bin is developed with security in mind.

Fitted with Hi-Vis transparent panels and an internal pivoting sack retention system, no matter how sensitive the environment may be, you can be assured that your waste will be contained in a secure, yet visible way. As these units provide a visual to insights to its contents, they also make the ideal choice for recycling schemes where cross contamination of waste is undesirable and costly.

Features

- Internal sack retention system
- 10mm galvanized steel base
- 20mm heavy duty stainless steel pivot hinge
- Stainless steel 'high impact' slam lock mechanism
- Frame of the unit consists of 2mm Galvanized Steel, powder galvanised, prime undercoat and polyester powder coated to any standard BS/RAL Colour
- Stainless steel keyhole protectors

Materials Used

- 2mm galvanized steel
- 10mm galvanized steel base
