

Aquinas

Features:

All custom-made canopies are designed to Eurocodes for Design of Steel Structures, Snow Loads and Wind Actions.

A 25 guarantee against structural failure for wind and snow loadings.

On all defects as a result of workmanship, material selection and finish (wear and tear, vandalism and abuse excluded).

Our structures can be individually manufactured to specific sizes to fit the site.

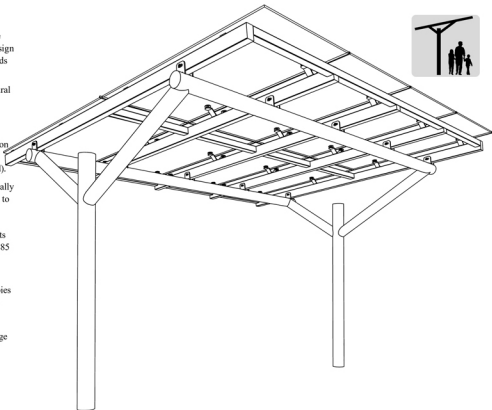

Hot-dip galvanised components increase life expectancy up to 85 years plus.

We deliver and install our canopies nationally. All canopies are engineered to suit any UK location.

Choose from our standard range of RAL and BS colours.
