

**The Cubic is an adaptable, purpose-built solution for outdoor bicycle storage.**

Our modular design provides a highly customisable, enclosed, timber clad cycle store capable of storing any number of bicycles.

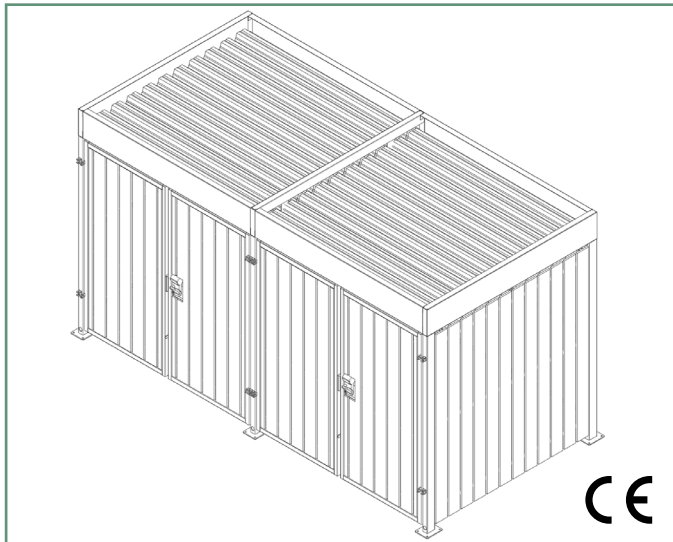

## Cubic Timber Enclosed VEC130

## Product details

<b>Product name</b>	Cubic Timber Enclosed
<b>Product code</b>	VEC130
<b>Fixing</b>	Surface mounted/root fixed
<b>Capacity</b>	Unlimited modular capacity
<b>Bike racks</b>	Any Turvec bike rack
<b>Access</b>	Enclosed
<b>Compliance</b>	Compliant with EN-1090
<b>Max. roof load</b>	58 kg/m <sup>2</sup>

## Cubic Timber Compact VEC131

## Product details

<b>Product name</b>	Cubic Timber Compact
<b>Product code</b>	VEC131
<b>Fixing</b>	Surface mounted/root fixed
<b>Capacity</b>	Unlimited modular capacity
<b>Bike racks</b>	Any Turvec bike rack
<b>Access</b>	Enclosed
<b>Compliance</b>	Compliant with EN-1090
<b>Max. roof load</b>	58 kg/m <sup>2</sup>

## Cubic Timber Open VEC132

## Product details

<b>Product name</b>	Cubic Timber Open
<b>Product code</b>	VEC132
<b>Fixing</b>	Surface mounted/root fixed
<b>Capacity</b>	Unlimited modular capacity
<b>Bike racks</b>	Any Turvec bike rack
<b>Access</b>	Open
<b>Compliance</b>	Compliant with EN-1090
<b>Max. roof load</b>	58 kg/m <sup>2</sup>

## Standard finish

<b>Frame</b>	Hot-dip galvanised to BS EN ISO 1461:2009
<b>Roof sheets</b>	Profile powder coated
<b>Drainage</b>	Integrated within frame
<b>Cladding</b>	Treated softwood
<b>Gate</b>	Wire mesh
<b>Lock</b>	Keyturn

## Optional finishes

<b>Frame</b>	Powder coated
<b>Lock</b>	Keypad or strike plate
<b>Roof</b>	Green sedum roof
<b>Gate</b>	Timber clad
<b>Lighting</b>	LED lighting
<b>Cladding</b>	Hardwood

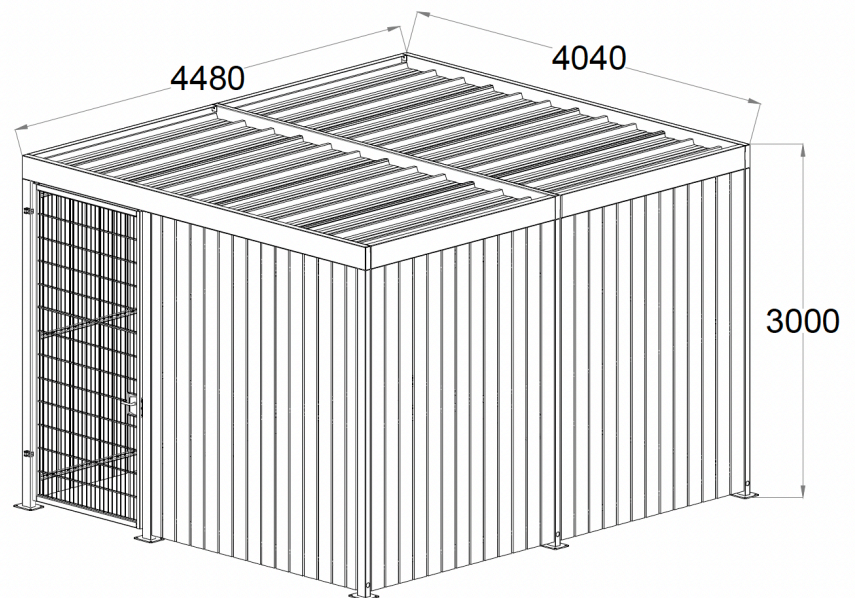

## Dimensions

<b>Standard module height</b>	2400mm
<b>Two-tier module height</b>	3000mm
<b>Width per module (double sided)</b>	6000mm
<b>Width per module (single sided)</b>	4040mm
<b>Depth per module</b>	2210mm
<b>Green sedum roof</b>	+100mm height

## Modular configuration

Our Cubic shelters are individually configurable. This means we can work within your required space.

Download CAD files online or simply get in touch with our team for assistance with your project.

\*Dimensions will vary per modular configuration
