

## Aluminium Socketed Football Goal Posts - 21' x 7'

**BX/DC 8713**

Stadia Sports Socketed 21' x 7' Aluminium Football Goals are the ideal choice for lower league football grounds and schools with secure pitches.

Also available as a [complete goal package](#) (includes 2 x goals, sockets, nets and net supports).

Stadia Sports socketed aluminium football goals are ideally suited to secure lower league & educational pitches. The goal posts are junior size 21' x 7' and fit into sleeves (aka sockets) set in the ground. The actual goal frame is exactly the same frame used on our stadium goals with the key difference being shape of the net (sold separately) and the way in which the net is supported. The net supports (sold separately) are continental net supports sometimes referred to as 'D' shaped will fix to the goal posts in the top corners to give the net a short 'roof' section which is the most popular shape of goal used in UK football.

- Made in the UK.
- Certified to BS EN 16579.
- Manufactured from 100mm x 107mm elliptical x 2.5mm aluminium which incorporates 4 strengthening bars for maximum strength.
- Mitred corner joints

Broxap Ltd., Rowhurst Industrial Estate, Chesterton, Newcastle-under-Lyme, Staffordshire, ST5 6BD
