Stadia Sports socketed 80mm aluminium football goals are ideally suited to secure pitches requiring a high specification aluminium goal. The goal posts are 9v9 size 16' x 7' and fit into sleeves (aka sockets) set in the ground. The net supports are continental net supports sometimes referred to as 'D' shaped will fix to the goal posts in the top corners to give the net a short 'roof' section which is the most popular shape of goal used in UK football. These football goals are tested to BS EN 8462 and are ideally suited for lower league football.

- Made in the UK.
- Certified to BS EN 16579.
- Manufactured from 80mm diameter x 3mm thick aluminium which incorporates 4 strengthening bars for maximum strength.
- Mitred corner joints complete with an internal, solid 'L' shaped bracket and external bracket
