

## Quick Release Socketed Football Goals Package - 16' x 7' BX/DC 2820/Q-PAK1

Stadia Sports 9v9 size 16' x 7' Quick Releasing Aluminium Goalposts quickly detach by hand without the need for tools. Package includes goals, sockets and nets. Supplied as a pair. **Also includes 4 free Santos footballs and ball bag.**

Stadia Sports quick release socketed aluminium football goals are ideally suited to pitches where the goal has to be taken down after every match day. An example of this might be that elliptical aluminium goals are required as a league standard but the pitch is open to the public. This is done by replacing the lock nuts that join the crossbar and uprights with a thumbscrew (2 per goal) that can be easily tightened by hand. To take the goals apart, simply loosen the thumbscrews, remove the crossbar from the uprights and carry the parts away individually to the storeroom (and vice-versa to set the goals up). The goal posts are 9v9 size 16' x 7' and fit into sleeves (aka sockets) set in the ground.

- Made in the UK.
- Tested to BS EN 8462.
- Manufactured from 100mm x 107mm elliptical x 2.5mm aluminium which incorporates 4 strengthening bars for maximum strength.
