

80mm Aluminium Freestanding Foldaway Football Goal Posts - 16' x 7'

BX/DC 2819/80F

Stadia Sports Freestanding Folding Football Goals in 9-a-side 16' x 7' aluminium ideal for use on artificial surface pitches where the pitch is multi-use. Supplied as a pair. Nets available separately.

Also available as a [complete goal package](#) (includes 2 x goals, sockets, nets and net supports).

Stadia Sports Freestanding Football Goals with folding net supports are designed to be used on artificial surfaces or multi-use training pitches where the goals can be folded and moved away to a storage area when not required. The goal posts are 9-a-side 16' x 7' made from 80mm aluminium, sit freestanding on the ground and collapse flat for easy transportation. These goals should always be anchored at all times to meet the British standard below (anchors available separately). Nets (sold separately) are supported with full international net supports that run from the crossbar to the backbar. When in use, our heavy duty link pin ensures the net supports stay firmly in the open position (and vice versa when closed for transport).

Made in the UK.

Tested to BS EN 8462.

Broxap Ltd., Rowhurst Industrial Estate, Chesterton, Newcastle-under-Lyme, Staffordshire, ST5 6BD

All dimensions are in millimeters, weights in kilograms and capacities in litres, are approximate and do not form any part of the contract. All prices are guide prices only and should be used for estimating purposes only. Broxap Limited reserve the right to change the design, specification or price of any item sold at any time.

All prices exclude VAT and delivery.

Manufactured from 80mm x diameter x 3mm aluminium which incorporates 4 strengthening bars for maximum strength. Mitred corner joints complete with an internal 'L' shaped bracket and external bracket for the strongest fixing of aluminium football goals. 50mm square x 2.5mm thick steel drop over back bars for quick assembly. Goal posts are painted white as standard. Comes with safety net hooks.

Includes: Pair of Freestanding Folding Goal Posts and all the necessary fixings to build the goals.
