

80mm Aluminium Freestanding Foldaway Football Goals Package - 16' x 7'

BX/DC 2819/80F-PAK1

Stadia Sports 16' x 7' Freestanding Folding Aluminium Football Goals. Ideal for use on artificial surface pitches where the pitch is multi-use.

Stadia Sports Freestanding Football Goals with folding net supports are designed to be used on artificial surfaces or multi-use training pitches where the goals can be folded and moved away to a storage area when not required. The goal posts are 9-a-side 16' x 7' made from 80mm aluminium, sit freestanding on the ground and collapse flat for easy transportation. These fold away goals should always be anchored at all times to meet the British standard below (anchors available separately). Nets are supported with full international net supports that run from the crossbar to the backbar. When in use, our heavy duty link pin ensures the net supports stay firmly in the open position (and vice versa when closed for transport).

Features:

- Made in the UK.
- Tested to BS EN 8462.
- Manufactured from 80mm x

Broxap Ltd., Rowhurst Industrial Estate, Chesterton, Newcastle-under-Lyme, Staffordshire, ST5 6BD
