

## Elliptical Aluminium Freestanding Football Goals Package - 24' x 8'

**BX/DC 2719/I-PAK1**

Stadia Sports 24' x 8' Freestanding Aluminium Football Goals are ideal for use on artificial surface pitches or grass pitches where the pitch is multi-use. Complete package includes goals, flip over wheels and nets.

**Also includes 4 free Santos footballs and ball bag.**

Stadia Sports Freestanding Football Goals are designed to be used on artificial surfaces or at football training grounds where the goals cannot be fixed into the ground. The goal posts are full size 24' x 8' made from elliptical aluminium, sit freestanding on the ground and can be moved using the flip over style wheels. Please note that these goals need to be anchored at all times (anchors available separately). Nets are supported with full international net supports that run from the crossbar to the backbar which offers additional strength.

- Professional goals with full length crossbars & uprights
- Made in the UK
- Tested to BS EN 748 when anchored correctly
- Manufactured from 100mm x 107mm elliptical x 2.5mm aluminium which incorporates 4 strengthening bars for maximum strength
- Mitred corner joints complete with an internal, double 'L' shaped bracket and external bracket for the strongest fixing of aluminium football goals
- The mitred joints also allows a slight degree of flex when moving the goals which extends life of the joints
- Goal posts are painted white as standard
- Comes with safety net hooks

**Football Goal Package (24' x 8') includes:**

Broxap Ltd., Rowhurst Industrial Estate, Chesterton, Newcastle-under-Lyme, Staffordshire, ST5 6BD

All dimensions are in millimeters, weights in kilograms and capacities in litres, are approximate and do not form any part of the contract.
