BX/DC 2719/Q-PAK1

Stadia Sports Elliptical Aluminium Freestanding Football Goals in full size 24' x 8' with quick release fixings. Ideal for use on artificial surface pitches or grass pitches where the pitch is multi-use but the goals need to be assembled/dismantled quickly on a regular basis.

Also includes 4 free Santos footballs and ball bag.

Stadia Sports Elliptical Freestanding Football Goals are designed to be used on artificial surfaces or at football training grounds where the goals cannot be fixed into the ground but need to be assembled/dismantled quickly on a regular basis. The goal posts are full size 24' x 8' made from elliptical aluminium, sit freestanding on the ground with all main fixings using the quick release thumbscrews. Please note that these goals need to be anchored at all times (anchors available separately). Nets are supported with full international net supports that run from the crossbar to the backbar which offers additional strength.

- Professional goals with full length crossbars & uprights.
- Made in the UK.
- Tested to BS EN 748 when anchored correctly.
- Manufactured from 100mm x 107mm elliptical x 2.5mm aluminium which incorporates 4 strengthening bars for maximum strength.
- Mitred corner joints complete with an internal, double 'L' shaped bracket and external bracket for the strongest fixing of aluminium football
