

Aluminium Socketed Football Goals Package - 21' x 7'

BX/DC 8713-PAK1

Stadia Sports 21' x 7' Elliptical Aluminium Socketed Football Goals are the ideal choice for lower league football grounds and schools with secure pitches playing 11-a-side U13/U14 football. Complete package includes goals, sockets, nets & net supports. Supplied as a pair. **Also includes 4 free training footballs and ball bag.**

<p>Stadia Sports socketed aluminium football goals are ideally suited to secure lower league & educational pitches. The goal posts are youth size 21' x 7' and fit into sleeves (aka sockets) set in the ground. The actual goal frame is exactly the same frame used on our stadium goals with the key difference being shape of the net and the way in which the net is supported. The net supports are continental net supports sometimes referred to as 'D' shaped will fix to the goal posts in the top corners to give the net a short 'roof' section which is the most popular shape of goal used in UK football. </p> <p>Made in the UK. Certified to BS EN 16579. Manufactured from 100mm x 107mm elliptical x 2.5mm aluminium which incorporates 4 strengthening bars for maximum
